This amazing property is located in St. George overlooking the South Coast of Barbados. Offering privacy, breezes and a short drive to all south coast amenities.

45 High Point is a 4 bedroom, 4.5 bathroom home being offered furnished with appliances, fully fenced with an electric gate. With a 2-car garage on one side of the home and a beautiful main entrance for your guests on the other.

The Master Bedroom is located on the main floor and features a walk-in shower, large tub and double sinks and a walk-in closet. This suite is air-conditioned and has a television. The second bedroom is located upstairs and offers air-conditioning and has an en-suite bathroom. The remaining two bedrooms are located downstairs, both with ensuite bathrooms. One of these bedrooms has air-conditioning.

There is also a large office located downstairs with built in bookshelves for the home office.

The open plan kitchen is outfitted with all the appliances, and features 2 ovens and granite countertops. The great space looks on to the living room and outside onto the patio and pool.

This property also features an 800-gallon water tank, a generator for the entire house and electric hurricane shutters.
