Description:

Cairngorm is an elegant executive home on a ridge with spectacular views. The home is located in Grand View Heights off of Shop Hill with easy access to the Warrens, beaches and your favorite beaches within the west coast area.

Cairngorm was built in 1979 and sits on a breezy 19,745 sq. ft. of gardens with several mature fruit trees. The family home has 4 bedrooms 3 bathrooms with sunken living room, formal dining area, courtyard suitable for afternoon teas, covered patio looking out to the view, kitchen, laundry room, staff quarters and 2 car port.

Perfect for a family wanting the best of both worlds with ample space within a quiet neighborhood yet close to all the high traffic amenities.

With a bit of refurbishing this home would be perfect for a business executive and family.

The information provided on this property is deemed reliable, however, not guaranteed.
