Description:

"The Abbey" is a well laid out five-bedroom home on a large lot. An open plan layout incorporates spacious living and dining rooms and a beautiful modern kitchen. The home's master bedroom has a walk-in closet and en-suite bathroom, with French doors opening directly onto the wraparound patio. There is another large bedroom suite with a private bathroom. The fifth bedroom, currently used as the TV room/study, also has a private bathroom, and opens onto the rear patio which extends the full width of the house. The home's design provides easy access to the outdoor spaces, residents and guests enjoy the the pool and manicured gardens.
