Barbados acreage for sale. Undeveloped, prime ocean side land located on the North-East Coast of Barbados for sale. This land offers endless opportunities for development. There are fantastic sea views from the rolling hills and mature trees on the slopes. From the images you can identify the layout of the plot. At the entrance of the property lies an old 3 bedroom 1 bathroom dwelling with incredible views from the patio. This lot is currently zoned residential and there are currently no TCPO approved re-development plans, these could be applied for. Whilst located in a rural, unspoiled part of the island, it is within reasonable proximity of the many conveniences and pleasure of Speightstown, Fardley Hill, St. Nicholas Abbey and Cherry Tree Hill. This is a unique opportunity for a developer and is a must see!
