Description:

This is one of three beautiful plots being sold at Waterhall, St. James, located by the prestigious Waterhall Polo Club.

It is the southern-most lot from the main road and measures 30,183 square feet of land with a gross area of 31,658 sq. ft. To the East it gently slopes towards a small gully separating it from a housing development, it has views of the countryside and some views of the prominent West Coast. On the western side of the lot there is a paddock while towards the North it adjoins Lot 2.

The lot is located across the road from the luxurious and prestigious Apes Hill Club community. The well renowned club comprises of luxury villas, townhouses and a sought-after golf course at which membership can be secured.

A stone throw away is the Apes Hill Polo Club, the home to many international tournaments and matches.

This plot offers easy access to the amenities in Holetown and the pristine beaches.

The information provided on this property is deemed reliable, however, not guaranteed.
