Description:

Tailored to the desires of those looking to discover the allure of tropical living enhanced by the very finest quality, Buttsbury Court is the *first* development delivered in Barbados by Bonham & Bonham; London architects, designers and interiors manufacturers.

Inspired by the essence of Caribbean elegance, this project fuses contemporary designs and bespoke craftsmanship while remaining true to the ideals of island living. Finished to the highest standard by Bonham & Bonham, with bespoke cabinetry from its English workshop and furniture and fittings curated by its London based design team, Buttsbury Court is unique to Barbados.

The exquisite home features 4 bedrooms & 5 bathrooms and is set on over 28,000 sq ft of beautifully manicured grounds, on the exclusive Holders Polo Ridge. The main house is beautifully laid out on 3,854 sq ft and features Engineered European Oak finishes with Minoli Italian Porcelain tiles.

The kitchen features bespoke Corian work surfaces with cabinets made in England by Bonham & Bonham with a bright and inviting feel. The kitchen flows through the living area and out onto a covered dining area, where you can enjoy dinner with family and friends. Top of the line appliances and features include:

Hotpoint 36" 5 zone Induction Cooktop

Two KitchenAid 30" Ovens

Integrated 21 bottle wine cooler

25lbs capacity Ice Machine

Sink waste food disposal

Instant hot water dispenser with 3gl tank

Grohe Kitchen Tap with 360degree swing and dual spray/stream function

All bathrooms feature bespoke Floating Vanity Cabinets from Rilxua Italia, Hansgrohe Vanity Taps, Illuminated bathroom mirror with integrated de-misters, Grohe 160mm Rainshower heads and Grohe hand shower with 59 inch hose. The primary bathroom also boasts a Caribbean Quartzite feature wall.

This exceptional project showcases its unparalleled design talent and quality craftsmanship in the Caribbean for the first time. Bonham & Bonham integrate architecture, interior and construction services to deliver luxury developments and interiors for clients around the world. This project brings its exclusive luxury services to Barbados for the first time.
