## **Description:**

One Beachlands, exquisite beachfront villa, is available for sale on Barbados' stunning West Coast.

This newly constructed, mansion-sized residence redefines elite architecture and modern luxury living. Spanning two floors, this villa boasts an array of international brands, exquisite fittings, and opulent materials. Its distinctive exterior is characterized by soaring full-height windows that offer breathtaking views of the Caribbean Sea.

With six expansive ocean-facing bedrooms, this villa is ideal for families or those who love hosting guests. It's meticulously designed to cater to entertainment and indoor-outdoor living, featuring unique amenities like an ocean-facing private gym and a home cinema. The integrated smart home automation system adds convenience to every aspect of daily life.

Outdoors, the splendour continues with a 75-foot-long infinity swimming pool that seamlessly blends with the uninterrupted Caribbean Sea panorama. Two pavilions at either end of the pool provide perfect spots for relaxation or hosting family gatherings. From the lush garden, guests can step directly into the warm Caribbean waters for tropical snorkelling. The grand carriage entrance to this mansion-like estate features a captivating water feature, setting a tone of elegance and sophistication.

Combining breathtaking design and an unbeatable location, One Beachlands is a truly unparalleled luxury property, offering an extraordinary experience in Barbados.
