## **Description:**

Located on the fourth floor of The Condominiums at Palm Beach, Unit 408 offers beachfront living on the South Coast of Barbados. Picture-perfect views of the coastline with lush gardens, sparkling pools, and the endless blue of the Caribbean Sea.

Upon entry there is a spacious kitchen and living area. Designed for chilling out and entertaining, with huge windows that frame the sea views

The luxurious master bedroom features a grand four-poster bed and a cozy sitting area. There is an ensuite master bathroom – pure indulgence, with a double vanity, private shower, and a deep soaking tub made for unwinding. The second bedroom has an ensuite bathroom and is spacious. There is also a workspace perfect for online schooling or private zoom calls.

The patio overlooks the development and beautiful view of the ocean.

As a Palm Beach resident, you have access to a private gym, round-the-clock security, three amazing pools and direct beach access.

The Historic Garrison Savannah and Barbados Museum are just a stone's throw away.

Palm Beach is all about living your best island life.
