Welcome to Strong Hope, a beacon of luxury and historical significance nestled in the heart of Barbados. Strong Hope Plantation now stands as a testament to timeless elegance and meticulous renovation, offering a quintessential plantation home experience like no other.

Encompassing a collection of meticulously restored buildings, Strong Hope boasts a main house, charming cottage, 'barn', and utility buildings, all seamlessly integrated into a picturesque estate. Each structure exudes its own charm and character, reflecting the rich heritage of the island of Barbados while embracing modern comforts and sophistication.

At the heart of Strong Hope stands the Main House, a single-story masterpiece of coral stone construction. Boasting four bedrooms and four and a half baths, this residence epitomizes luxury living. Step into the grand foyer, where opulent marble floors lead the way to expansive living areas adorned with hand-scraped Hickory boards and close-board pickled pine ceilings.

The main house is a haven of modernity, featuring a gourmet kitchen adorned with marble countertops, soft-close hardwood cabinetry, and top-of-the-line appliances. The master suite beckons with a lavish ensuite bathroom, complete with a double rainfall shower, soaking tub, and his-and-her sinks. A spacious patio and deck with a Jacuzzi pool offer the perfect retreat for relaxation and leisure, overlooking the lush grounds of the estate.

Adjacent to the Main House, the West Wing presents a versatile space ideal for professional endeavours or personal indulgence. With offices, treatment rooms, a conference room, and an air-conditioned gymnasium, this wing caters to every need, ensuring a seamless blend of work and wellness.

Nestled amidst tropical foliage, the Cottage offers a serene sanctuary for guests or extended family members. Featuring a cozy living room, a well-appointed kitchen, and two ensuite bedrooms, this retreat exudes charm and intimacy. Ascend the wooden stairs to discover a loft bedroom, offering panoramic views of the estate.

The Barn, a separate residence of coral stone construction, exudes rustic elegance with its pickled pine ceilings and porcelain floor tiles. Boasting three bedrooms and three and a half bathrooms, this two-story haven offers privacy and tranquillity, complete with its own full-size pool and access to recreational facilities.

Completing the ensemble, the Utility Buildings to the North promise endless possibilities for expansion and innovation. With plans to convert existing spaces into luxurious bedroom suites and additional accommodations, this area holds the key to limitless potential.

Experience the epitome of luxury living at Strong Hope, where history meets sophistication, and every detail exudes timeless elegance. Embrace the allure of island living in this unparalleled sanctuary, where the legacy of Barbados awaits.
