Listing Number: 1347

SALE PRICE
USD \$300,000

Land Area: 5,143 sq. ft

Amenities & Property Features

- Enclosed Property
- Unfurnished

Description:

This exclusive listing consists of a two storied building with two three bedroom apartments on a site measuring 5,143 square feet. Public transportation, primary and secondary schools, shopping facilities etc. are easily accessible from the neighborhood. Renovation may be required to update the property to current standards, however the location and its proximity to amenities should produce a favorable return on investment.

*Please note both apartments are currently tenanted, additional photos may be provided on request.

The information provided on this property is deemed reliable, however, not guaranteed.
