Shangri-La is set amongst tropical plants and boasts a large swimming pool with a sun bathing patio. The entertaining aspect continues with a fully fitted media room and a stunning Great room.

Shangri-La was purposely built on one level to create a grand Spanish-influenced, spacious and exceptionally comfortable villa that can easily accommodate up to eight people. The property is particularly well-suited to those who enjoy outdoor living and entertaining; your days are met with panoramic and unobstructed sea views beyond the large swimming pool with sun bathing patio, and your evenings are guaranteed to be enchanting and memorable with warm Caribbean breezes and star-filled skies.

The home comes complete with a media room/bar which is outfitted with an LCD flat screen television, Blu-ray/DVD player, stereo and CD player, all installed in a custom designed cabinet. A collection of videos, DVDs and CDs, as well as games and cards, are also provided. The villa has four bedrooms; each air-conditioned and professionally decorated. The bedrooms are named in accordance with the décor: The White Room, The Polo Room, The Princess Margaret Room and The Master Bedroom.
