Description:

Located in Graeme Hall towards the end of a private cul-de-sac is this block of three freshly renovated apartments. Sitting across from an open parkland area with benches gives the property a very pleasant outlook with the feeling of space to the front of the property.

There are four parking spaces at the front of the property with access around both sides to the back of the units.

Entry to the ground floor unit is through the front patio which leads into the spacious, air-conditioned, open-plan living and dining area. The kitchen shares this open plan area and offers granite countertops on wooden cupboards with a double stainless-steel sink. Just off the kitchen is a large laundry room with a broom cupboard and sink.

There are 3 bedrooms all with built-in cupboards. The master has an en-suite shower and the other 2 bedrooms share a family bathroom.
