Description:

PRICE REDUCTION FROM US\$187,500 TO US\$150,000

This five bedroom house with basement has been unoccupied for a number of years so presents an opportunity to renovate and make it your own. Lot is 11,285 sq ft in size and the house presently occupies only a small part of the land so there is room to expand the house or grow crops if desired.

Located in a quiet cul-de-sac at Tom Bend Road, which is a few minutes drive from Speightstown beaches and amenities.
