Description:

Stunning Architect-Designed Family Home.

Welcome to this exquisite 4-bedroom, 4-bathroom family home, situated on a generous lot in one of Barbados' most prestigious neighborhoods. Boasting a unique Spanish-style design, this property is perfectly positioned for easy access to Warrens and the scenic west coast.

As you enter through the grand front door, you are greeted by a spacious hallway that opens into the inviting living room and seamlessly extends to the patio and pool deck beyond. The dining room, with its large windows and charming arched opening, offers a bright, airy ambiance.

The well-appointed kitchen, adjacent to the dining area, features a cozy TV room that can also serve as a breakfast nook. From the kitchen, you have convenient access to the laundry room, storage area, and a double garage, complete with an enclosed drying yard and a separate bathroom.

Upstairs, the expansive main bedroom suite includes a luxurious bedroom, a versatile office or nursery, a walk-in closet, and a spacious bathroom. The ground floor houses two additional bedrooms and a shared bathroom, while the fourth bedroom and bathroom are located on a lower level with a private entrance, perfect for guests or an older child's retreat.

The outdoor area is designed for relaxation and entertainment, with the pool and its deck seamlessly blending with the patio and kitchen. An inviting outside bar area enhances the space, making it ideal for hosting gatherings.

This magnificent home is not just a residence but a haven for family living and growth, offering ample space, privacy, and charm in a central and sought-after location.
