Description:

PRICES STARTING AT US\$75,000 (BDS\$150,000)

Beautiful residential lots for sale, many of which have been already reserved. Ridgeland overlooks the St. George Valley and presents an exceptional opportunity to own a prime residential lot in a new upscale community. The meticulously planned neighborhood balances tranquil country living with convenient access to modern amenities, making it the perfect spot for your new home.

The Ridgeland experience begins the moment you pass through its elegantly designed entrance continuing along the impressive main boulevard and into a scenic 50-acre setting. Perched on a desirable ridge, it offers perfect balance of natural beauty and convenient accessibility.

The professional landscaping and the underground services will soon provide a clean, modern aesthetic, and select lots offer picturesque views of the St. George Valley. The dedicated 15-acre greenspace, featuring a modern clubhouse with a multi-use court, provides great opportunities for outdoor activities and staying on the move.

Country living yet minutes away from the South Coast beaches. Everyday conveniences such as supermarkets, medical facilities, pharmacies, restaurant, coffee shops, a farmers market and even the airport are all just a short drive away.

The first phase includes 82 residential lots, ranging from 6,500 to over 15,000 square feet. Prices start at BDS\$150,000.

This is a rare opportunity to secure a home site in a thoughtfully designed community.
