The Condominiums at Palm Beach offer elegant beachfront living in a tropical setting.

Palm Beach 504 is a luxury 2-bedroom 2.5 bathroom condominium, located on the fifth level, in a gated community development with amazing sea views.

Both bedrooms are air-conditioned, tastefully furnished, and feature en-suite bathrooms. The master bedroom has a walk-in-closet and direct access to the covered patio. For additional convenience there is a private half bathroom in the hallway for guests to use.

The apartment features a large outdoor terrace, open plan living area and kitchen and a utility room.

There is parking for residents and their guests. Palm Beach offers its residents beachfront views, communal swimming pools, beach access, fitness centre and 24 hour security. The development is set on over four acres of prime beachfront property in Hastings in the south of the island. Palm Beach is the best in waterfront lifestyle with homes that are finished at the highest standards and with absolute privacy.
