Description:

Step through the front door into a spacious, open-plan living and dining area that flows effortlessly onto a covered private terrace—perfect for evening cocktails or alfresco dining with friends. The kitchen, extended for more function and flow, features a range of bright white cabinetry and a breakfast bar for casual meals or a morning coffee. *Please note: appliances are not included—giving you the freedom to choose your own.*

Upstairs, the master suite features built-in wardrobes and a refreshed en-suite bathroom with an enlarged vanity and a glass-enclosed shower. Two additional bedrooms, also with built-in storage, are full of natural light and share a second bathroom, making this home equally well-suited to families or those who love having guests. The owner has also added smart extra storage upstairs—one of those thoughtful touches that truly adds value over time.

Living at Harmony Hall Green means enjoying secure, key-coded gated access, beautiful landscaping with serene reflecting pools, and access to the communal swimming pool—just steps from your back door. The development also offers two dedicated parking spots per unit and guest parking for when company comes calling.

Set in a peaceful enclave just off the Gap, you're close enough to walk to world-class dining, nightlife, shopping, and beaches, but tucked away enough to enjoy peace and quiet when you want it. And if you're thinking rental income, the location couldn't be more ideal.
