Description:

An Executive unfurnished 4 bedroom, 3 bathroom family home situated in a quiet and breezy cul de sac on almost an acre of well-maintained gardens with mature fruit trees. The property offers a tremendous amount of indoor and outdoor living space making it ideal for entertaining or just relaxing. It is further enhanced with an automatic front gate and a sheltered double car port with a covered foyer, all while being a short drive to schools, shopping, beaches and more. Being offered with major appliances only, and price includes pool and garden maintenance.
