Description:

A brand new and beautifully furnished Executive condo development consisting of 8 units along the south coast and offering panoramic sea views in a gated community. This upper level 3 bed condo has a gorgeous open plan kitchen complete with quartz counters, a huge breakfast bar and stainless steel appliances including a natural gas stove, fridge and dishwasher. This leads nicely to an open living area and flows out easily to a massive covered terrace that is approximately 30 x 10 with ceiling fans and offers breezy views of the Caribbean Sea and white sandy beaches. The master bedroom is about 15 x 13 with a walk-in closet and an en suite bathroom with a double vanity and shower while offering a direct access out to the sheltered patio and having its own amazing views. The second bedroom is a very generous size at approximately 15 x 12 with a walk-in closet and an en suite bathroom with a shower, while the third bedroom has built-in cupboards. The unit also features a guest bathroom with a shower, a spacious laundry room with separate washer and dryer and is beautifully enhanced with recessed lighting and wall sconces while having both a/c and ceiling fans throughout. The development offers a large shared swimming pool, private covered parking and a large private storage room on the ground level. Excellent nightlife, restaurants, shops and other amenities are all within walking distance! Truly a wonderful and elegant property for the business professional or family!
