Description:

Located on the West Coast, the All Seasons Resort property stands on an impressive 4.5 acres of land. Within this lovely cottage landscape setting there are two types of cottages available for mid to long term rental. One-bedroom standard garden suites and one-bedroom deluxe poolside suites, ideal for singles or couples, and for those who are working remotely on island as part of the Barbados Tourism Marketing Nc's Welcome Stamp initiative, launched in 2020 in response to the Covid-19 pandemic.

The One-bedroom Deluxe Poolside Suites are fully furnished , air-conditioned with one bathroom with views of the pool and well-manicured gardens. The spacious living room and the bedroom are decorated with classy white and orange accent colour. The bedroom comes with adequate closet space, a king size bed or 2 twin beds and sleeps four. The kitchen is fully equipped with refrigerator, stove top, microwave, cookware, crockery and cutlery. The patio opens onto the lush green gardens where you can sunbathe on the lawn. Access to the pool provided where lovely cabanas are available for use.

All cottages offer wheelchair accessibility and the rooms are non-smoking but will allow for smoking on the patio only. All units are provided with Satellite TV. Being a part of the All Seasons Resort family entitles you to 10% discount on dining at the in-house restaurant; meal options for breakfast, lunch and dinner available; access to the lounge and bar area; housekeeping once a week; complimentary use of the computer in the business centre; complimentary use of the shuttle bus for travel within a 3 km radius; use of the fitness centre by reservation and designated parking.

Rental rate inclusive of tax, levy and utilities.
