Description:

#93 Khus Khus Circle is a single storey, 2, 311 square foot residence on a lot measuring 7, 508 square feet. This very spacious four bedroom, two bathroom home features an open plan living and dining room, and very nicely laid out kitchen. Overall living space is enhanced with the inclusion of an impressive walk-in closet in the master bedroom, laundry utility room and a dedicated home office. Exterior features include front and rear patios, a two-car garage, and underground rainwater storage with pump. The property is fully enclosed. The development is an established residential subdivision. Social amenities, such as schools (primary and secondary), polyclinic, post office, shops, supermarkets and financial institutions are all available within a reasonable distance at Six Roads.
