## **Description:**

'Belvedere' is located in a cul-de-sac in a central location, Reservoir road, on a ridge overlooking the South Coast of Barbados. Set on 14,690 square feet of prime Barbadian real estate. Spectacular views are captured from many areas of this 4,430 square foot, single storey, three-bedroom two-bathroom villa boasting a charming mix of traditional and modern features. Two car garage, formal sitting and dining rooms provide ample interior living and entertaining space. The well appointed spacious kitchen easily doubles as a full dining area. Comfortable sized bedrooms and modern bathrooms complete the interior. Large covered patio with a wet bar can easily be used as outdoor living space. Mature gardens surround the pool and pool deck. Transition to the exterior through the wet bar to the covered patio which can be readily utilized as an outdoor living area. Step outside on either side to the gardens and inevitably to the pool deck where the true beauty of this property lies. Located in convenient distance to commercial services, shopping, several supermarkets, and restaurants and ten minutes from Bridgetown.
