Description:

This charming unfurnished 2 bedroom 2.5 bathroom home sits on an elevated lot with some lovely outdoor space. A small pool and gazebo, along with a covered area which can hold a dining table if needed and a small pond. Another paved area is just off the master bedroom at the side of the house. Storage space area under the house underneath the den. With some updating and improvements, with land to extend if needed, this will be a lovely home.
