Description:

A modern 2 bedroom 2 bathroom townhouse available in the new residential community of South View. This home features a living area and dining area, an outdoor patio and garden and an open-plan Italian kitchen. The bedrooms are on the upper level, with the master having an en-suite bathroom and AC unit, and the other bedroom has a ceiling fan. The townhouse includes porcelain floor tiles, granite counter tops, built-in closets and solar water heating. South View is close to all the amenities that the south coast has to offer, with easy access to the highway.
