Description:

Inspired by escapism, these three-bedroom four-bathroom oceanfront villas are located in Beach House – a secluded, low density resort community, overlooking Skeete's Bay and Culpepper Island with 180-degree panoramic ocean views.

Beach Houses provides simple elegance and open spaces of contemporary architecture to the casual comfort of the traditional Barbadian East Coast beach house. Each villa sits on approximately 8,900 sq.ft. of land, with generously scaled floor plans of 4,377 square feet of space, offering a choice of interconnecting doors for rental opportunities, car ports or garages. These three-bedroom, four-bathroom villas offer floor to ceiling glass windows with spectacular ocean views, 2 infinity-edge private patios with hot tubs and private patios featuring 'no-tan lines' levels of privacy.

Residents of Beach Houses will enjoy 24/7 security, 2 restaurants and bar, floor-to-ceiling tennis court and state of the art wellness centre, concierge and 24/7 front desk. Complimentary Wi-Fi and international calls to land lines.

Residents are also provided with privileged access to the world-class amenities and services at sister property, The Crane Resort, including Crane Beach which was voted the 'Best Caribbean Beach' by USA today!
