## **Description:**

St. Helena is a beautiful beachfront villa located on the West Coast of Barbados and designed by the late Oliver Messel. This villa offers a unique feeling of the old Colonial Style of living in Barbados with all the amenities you would expect when on vacation.

St. Helena is tastefully and comfortably furnished. The lower level of the property features a large open plan sitting room which leads to a covered dining patio overlooking the gardens towards the Caribbean Sea. There are also two air-conditioned bedrooms, an al fresco dining area with a pool deck, bar and entertaining area. The pool deck is partly covered, creating a perfect place to relax.

On the upper level there are three tastefully furnished bedrooms as well as a sitting room. The bedrooms lead onto the circular verandah which features its own private bar, perfect for sitting and watching the ocean.

The ocean offers excellent swimming and providing conditions permit, guests can swim out to 'the raft'. St. Helens also has its own private speed boat and all guests staying at St. Helena are offered one (1) hour free water sports each day.

The cottage has three additional bedrooms, two upstairs and one downstairs. There is a sitting room, kitchen faculties, TV, and a large patio overlooking the pool.

The staff compliment includes a Butler, Housekeeper/Maid, Cook, Laundress, Night Watchman and a Gardener.
