Description:

Available from 9th April 2022

This quaint 3-bedroom cottage sits on a hill overlooking the best surf break “Soup Bowl” on the east coast in Bathsheba. The large wooden deck provides fantastic views of the Atlantic Ocean and the waves of Soup Bowl. A favourite spot for surfers both local and from around the world. Many international events have been held at this historic surf spot.

The deck leads into the open plan living, dining and kitchen areas. There are two bedrooms on ground level with built in cupboards and 1.5 bathrooms. On the mezzanine level, the loft provides additional sleeping space and has dormer windows and skylights.

There is no telephone, however the internet keeps you in touch. There are two identical houses next door.
