Description:

Seclusion Great House is a two and a half storey, 5 bedroom, 2.5 bathroom former plantation house, on 2 lots comprising 43,560 sq.ft. The property is fully enclosed with a concrete guard wall. The surrounding buildings are constructed of coral stone, concrete blocks, timber and wall houses.

The grounds are extensive with a swimming pool, an outdoor structure with two toilets and a standalone garage. There is an old above ground water tank and fountain and some fruit trees.

Access to the property is through iron gates with a long driveway.

On the ground floor there is a very large patio which leads to the living room and a spacious dining room with original hardwood floors. The 'U-shaped' passageway leads to four bedrooms and the kitchen. The fifth bedroom is located upstairs via a spiral staircase or can also be accessed by external stairs. This bedroom has an en-suite bathroom and a private balcony. This area needs some maintenance and upgrading.

The property needs updating but is an excellent investment property and is well suited for a Nursing Home, a School or other commercial type property. The area is zoned for both residential and commercial use.
