

Listing Number: 777

SALE PRICE
USD \$550,000

Land Area: 108,900 sq. ft

Amenities & Property Features

- Beach View
- Countryside View
- Flat Lot
- Walking Distance To The Beach

Description:

Scenic 2 ¼ acres of residential land located on a ridge above a secluded beach and bay. The land is mostly flat and offers beautiful views of the rugged east coast, ocean and countryside. The bay and beach is accessible using a sloping path alongside the property and the land is accessible off the main road.

This location is private and rural and provides great hiking trails and a natural river adjacent to the property.

The information provided on this property is deemed reliable, however, not guaranteed.
