Description:

A very unique opportunity to own one of the only two homes with direct access to the popular Sharks Hole Bay. "Altamar" is a single storey, 4 Bedroom 3 Bathroom home sitting on 33,343 sq. ft of cliff and beachfront land.

The main entrance leads to an open plan layout of the dining and living area with high ceilings which extends onto a spacious patio, overlooking the ocean, perfect for lounging and alfresco dining. There is a Jacuzzi, but the space offers ample room for the addition of a larger pool if needed and is mere steps from the most intimate bay.

The kitchen is good sized and has great storage space.

There are three bedrooms in the main house which boasts lovely breezes. The master bedroom is fitted with 180° of windows with an ensuite bathroom. Bedrooms two and three are good sized with built-in cupboards and they share the second bathroom.

The fourth bedroom is located just off of the carport next to the kitchen and could easily be converted into a separate cottage. The bedroom is very spacious and has an ensuite bathroom.

The property has been very well maintained.
