Description:

Battaleys Mews 16 is an immaculately maintained, fully furnished townhouse located within the Battaleys Mews Resort.

The property has three bedrooms and two and a half bathrooms. The interior is light and contemporary with open plan living. This townhouse has been upgraded with a bespoke kitchen with granite countertops. The oven has an air fryer function with a pyrolytic self- cleaning function.

For added convenience, dual plugs have been installed in the kitchen and living area. This is ideal for European buyers or for buyers who are purchasing for holiday/long-term letting. There is a Skylark Velux window in the hallway. This has a rain sensor remote cover with a mosquito net.

There are mosquito nets on all the windows and the front door. On the front door you can pull a screen and leave the front door open for additional light & breeze.

The master bedroom has a large en-suite bathroom and private balcony. Outside there is a covered terrace with lounging and dining areas. There is also a private Jacuzzi pool and a peaceful, private garden area.

The average quarterly service charges at present are BB\$4,750 (US\$2375).

The development offers an array of communal facilities for the residents and owners which include a large communal swimming pool and flood-lit tennis court. Additionally, there is a communal children's play area, picnic area and clubhouse. The resort is a few minutes walk to the famous Mullins beach on the West Coast of Barbados. It is also a short walk from the popular Sea Shed Restaurant, and a 15 minute drive to Holetown where there are many amenities including shopping, medical centre, movie theatre, supermarket, banks and so much more.
