Description:

STARTING AT US\$419,000 to US\$436,000

Coral Beach is the newest luxury development on the West Coast of Barbados, comprising twenty-one, two-bedroom modern and impeccable residences on three floors on a 29,000 square foot site. This gated community will be secure with intercom functionality, 24-hour CCTV monitoring with fire safety system linked to units, landscaping and a private swimming pool.

Offering two options – the Azure 1,072 sq. ft. and the Topaz 1,069 sq. ft. both equipped with appliances, air-conditioning and high-quality finishes and fixtures. The building will be serviced by an elevator.

This development is just a few steps to the ocean with a designated public beach access and close to the historic Speightstown and many amenities.

Construction began in February 2022 and is expected to be completed in March 2023.

The information provided on this property is deemed reliable, however, not guaranteed.
