Description:

A spacious family home, fully enclosed, located in a private cul-de-sac by Durants Golf Course. This home offers 3 bedrooms and 4 bathrooms. The main floor offer an open plan kitchen, dining, living and TV room with an “L” shaped patio that wraps around the north eastern side of the house and leads to the plunge pool and 20 x 20 foot purple heart deck, great for entertaining.

The master bedroom is located upstairs and has a small office attached, spacious walk-in dressing room, double vanity and a rain shower. The other two bedrooms are identical with en-suite raining showers and walk in closets. All bedrooms, wreck room and TV room are outfitted with inverter A/C units.

There is a large bar and wreck room with storage and laundry facility on the sub level off the carport accessed by electronic gates.

The home is equipped with a 5-kw solar system, fully grided, new ceiling fans throughout, night vision security camera, 5000 gallon water tank and pump for irrigating the gardens. The gardens offer many fruit trees from mangoes, Jamaican plums, lime, pear and guavas to name a few.

Location on the northern side of the property there is a 20 x 8 wooden tool shed.
