Description:

ECO Lifestyle and Lodge is an intimate boutique hotel located on the idyllic East Coast of Barbados. Nestled within the Bathsheba community, ECO's location is quiet and un-spoilt. Set on almost an acre of land and surrounded by gullies and land owner by the government, ECO's setting is very private

The 10 rustic inspired bedrooms are outfitted with upcycled antique furniture, dark wood flooring and local mahogany craftsmanship. These rooms are designed with comfort with enviable views facing east towards the Atlantic Ocean.

The renowned ECO Restaurant is located steps away from the main house set in manicured tropical gardens. This restaurant offers a farm to table menu in a truly picturesque setting, cascading salt-water pools lie of a wooden deck which overlooks the gully and Atlantic Ocean. Truly one of best views on the island.

The new Cob Sauna is crafted using ancient building methods with thick walls made of a mixture of clay soil, sand and straw. The path leads through the gully alongside a small stream and into the fishing village.

Just a short stroll away is the Bathsheba to Bath trail which is one of the most stunning trails for hiking adventures. The trail was recently extended from Bathsheba to Cattlewash and includes the restored bridge over Joe's River. Eco is also steps away from the famous surfing spot "Soup Bowl" in Bathsheba – some of the best waves in the world!

With a large influx of investment along the East Coast recently, ECO Lifestyle and Lodge present a unique opportunity to own one of the only hotels on the East Coast. ECO has been able to maintain a huge local following and strong international presence despite the recent pandemic.

The tourism industry is progressively implementing the use of sustainable energy resources to power its operations. Eco Lifestyle and Lodge is ideally situated for the right candidate to continue to build upon the brand in Barbados.
