- Washrooms

**Description:**

Located in Belleville one of the older established neighbourhoods in Barbados is this commercial space. This area has become very popular with the medical profession being only 3 minutes or less from the Queen Elizabeth Hospital. In the general vicinity are laboratories, radiologists, dentists, orthodontists, pharmacies and a wide range of other businesses such as Attorneys, Insurance and Internet companies.

The 598 sq. ft. of office space is on the ground floor and includes separate male and female washrooms and is air-conditioned. The property offers easy vehicular access with ample parking.
